The Secretary to the Government

Genl and Rev: Departments.

Sir,

I have the honor to bring to the notice of Government the marginally noted excess expenditure over the Budget Grant of District Funds for 1895-96 - The Comptroller required the sanction of the District Fund Board for these charges. But as his reference was received subsequent to the last meeting (3rd August 1896) he was informed in respect of item No II that delay would be unavoidable if the Board's sanction has to be obtained at the next meeting. A copy of the Comptrollers' docket No 412 dated 27th August 1896 is enclosed, in which he says that no excess charge will be passed without the

2. I therefore beg that the Comptroller may be authorized to pass the above excess charges, and those that may be brought to notice before the close of the account for June, from the General Savings of the last year's Budget.
